**Subject:** FC-4906, Architectural, Engineering and Design Services

**Date:** July 7, 2009

The Evaluation Committee for the subject services, which included representatives from the Departments of Watershed Management; Parks, Recreation and Cultural Affairs; Public Works and Planning and Community Development and the Office of Enterprise Asset Management, has reviewed and evaluated the submitted proposals utilizing the approved evaluation criteria and matrix.

Based on the evaluation criteria and matrices developed by the Evaluation Committee and review of the technical part of the A/E submittals, the following A/E Teams were the top ranked, responsive and responsible proponents:

- Atlanta Services Group, Inc.
- Brown & Caldwell/DHA, Joint Venture
- BGR, Joint Venture
- Arcadis/BPA, Joint Venture

Subsequent to completion of the review and ranking of the A/E teams by the Evaluation Committee, the Department of Procurement provided the results of the evaluations by the Office of Contract Compliance and the Department of Finance. These results indicated that Arcadis/BPA, Joint Venture and jp2 received identical scores. Accordingly, the Department of Procurement advised the Evaluation Committee that Arcadis/BPA, Joint Venture and jp2 would be deemed as tied for the fourth position in the overall ranking of teams and that five A/Es would be selected for negotiation of an annual agreement.

Please initiate negotiations with these five firms to develop billing rates and the A/E Annual Agreements for approval by the Mayor and City Council.

Please also be advised that, due to budget conditions and needs, each user department will determine which A/E firm will be selected and recommended to provide specific services to that department under Task Orders to be approved pursuant to the Annual Architectural, Engineering and Design Services Agreements and that there will be no requirement for equal distribution of work to the A/E firms.
